

# Blackwater Arboretum

Discover a stunning variety of beautiful trees from around the world.

## Arboretum Walk [0.7 miles / 1 km / Under 1 hour]

The path up to the Arboretum has a long but gentle slope on firm gravel. The grass walk through the middle is uneven but is an all-weather surface. It is possible to park at the entrance to the Arboretum by using a RADAR key to open the vehicle gate (see map). You may find the lock stiff to operate as it is infrequently used.

## The Tall Trees Trail [1.4 miles / 2.2 km / Under 1 hour]

This is an excellent easy-going walk with one or two short slopes of 1:10 and no cross falls. There are several information boards and a World War II bomb crater. As this walk is under trees there are inevitably many tree roots on the path, but there is always a way around or over them.

<b>Getting here</b>	For Google Maps type 'Blackwater Arboretum' For a Sat-Nav type 'Blackwater Arboretum, SO42 7QB.'
<b>Starting Point</b>	Blackwater Car Park
<b>Ending Point</b>	Blackwater Car Park
<b>Facilities</b>	<ul style="list-style-type: none"><li>• Two accessible walks</li><li>• Accessible parking bay</li><li>• Accessible toilet</li><li>• Picnic tables</li><li>• Separate stands for disposable BBQs.</li></ul>
