

Your holiday to Lymington and the New Forest.

Your holiday cottage is called “Bench Cottage” “Garden Bench” or Bench Cottage.

You will enter the cottage and see the living room and the kitchen. You can see a tour of the cottage on the web site.

You will be sleeping in a bed in the bedroom. The beds may feel different from home. Out of the window I can see the garden.

You will be staying here for your holiday.

Helen and Matt the owners of the cottage, may come and say hello - they will be happy to answer any questions you may have and they would love to hear what you have planned to do.

During your holiday you may get to explore lots of new places, take photos and make memories, or you might just enjoying looking out the window or being in the garden - it is very quiet and we often have visits from birds and squirrels. There is a bird book available if you wish to learn what birds they are.

When your holiday is over, then you tidy up and go back home taking your memories with you.

Have a lovely time.

Helen and Matt
