Please enter SO41 8HH into your satnav for directions. We offer three self-catering cottages:

- **Garden Bench** is located at 11 Lodge Road, with a brick-paved driveway available for parking.
- **Little Bench** and **Bench Cottage** can be accessed via a shared tarmac driveway – 9A Lodge Road. Parking and a turning space are provided at the top of the shared driveway for one vehicle per cottage, as detailed in our access statement on our website.

Any additional vehicles must be parked on the road. There are no parking restrictions.

ACCESSING YOUR COTTAGE

Upon arrival at Our Bench Cottages, you'll find a key safe. Ensure you're at the right cottage: the key safe for Bench Cottage and Little Bench is by the front door, while Garden Bench's safe is inside the gate on the house wall. You'll need your access code from the information form. We'll text you a reminder once the cottage is ready. If needed earlier, please email us. Hand sanitizer is available.

We aim to have the cottage ready by 3 pm if departing guests vacate by 10 am and leave it tidy. Check with us before leaving home to confirm readiness at 0775 1064167. We strive to air the cottage

thoroughly; if it's cold, windows might be open and heating turned down. During your stay, if you air the cottage (which we encourage), please also turn down the heating.
